

# U.S. National Arboretum Crapemyrtles

Name: 'Chickasaw'  
Flower Color: light pinkish lavender  
Bark Color: light gray  
Height: 1'-3'  
Growth Habit: miniature, compact shrub  
Species: Hybrid

Name: 'Pocomoke'  
Flower Color: deep rose pink  
Bark Color: light gray  
Height: to 3'-4'  
Growth Habit: miniature, compact shrub  
Species: Hybrid

Name: 'Hopi'  
Flower Color: clear light pink  
Bark Color: light gray-brown  
Height: 5'-10'  
Growth Habit: dense, round shrub  
Species: Hybrid

Name: 'Cheyenne'  
Flower Color: red  
Bark Color: light brown  
Height: 8'-10'  
Growth Habit: rounded, dense shrub  
Species: Hybrid

Name: 'Tonto'  
Flower Color: fuchsia  
Bark Color: cream to taupe  
Height: 8'-10'  
Growth Habit: dense shrub  
Species: Hybrid

Name: 'Zuni'  
Flower Color: medium lavender  
Bark Color: light brown-gray  
Height: 8'-10'  
Growth Habit: dense shrub  
Species: Hybrid

Name: 'Acoma'  
Flower Color: white  
Bark Color: light gray  
Height: 10'  
Growth Habit: semipendulous shrub  
Species: Hybrid

Name: 'Pecos'  
Flower Color: clear medium pink  
Bark Color: dark brown  
Height: 10'  
Growth Habit: shrub  
Species: Hybrid

Name: 'Lipan'  
Flower Color: medium lavender  
Bark Color: near white  
Height: 12'-15'  
Growth Habit: large shrub or small tree  
Species: Hybrid

Name: 'Osage'  
Flower Color: clear pink  
Bark Color: mottled chestnut brown  
Height: 12'-15'  
Growth Habit: large shrub or small tree  
Species: Hybrid

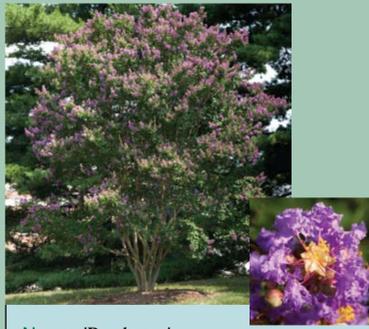

Name: 'Seminoole'  
Flower Color: clear medium pink  
Bark Color: light gray-brown  
Height: 12'-15'  
Growth Habit: dense shrub  
Species: *Lagerstroemia indica*

Name: 'Apalachee'  
Flower Color: light lavender  
Bark Color: cinnamon to chestnut brown  
Height: 15'-18'  
Growth Habit: small, upright tree  
Species: Hybrid

Name: 'Catawba'  
Flower Color: violet lavender  
Bark Color: light gray-brown  
Height: 15'-18'  
Growth Habit: small, rounded tree  
Species: *Lagerstroemia indica*

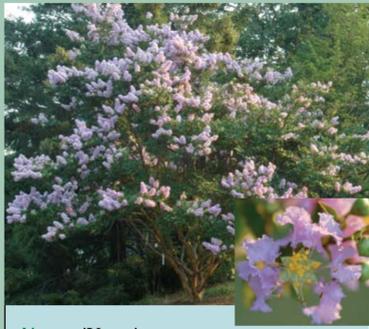

Name: 'Powhatan'  
Flower Color: medium purple  
Bark Color: light gray-brown  
Height: 15'-18'  
Growth Habit: small, broad tree  
Species: *Lagerstroemia indica*

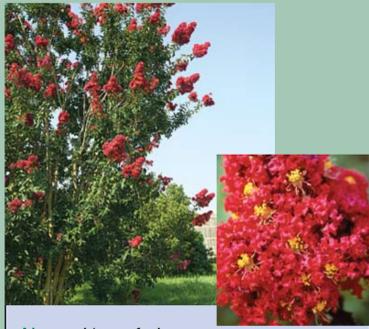

Name: 'Sioux'  
Flower Color: dark pink  
Bark Color: medium gray-brown  
Height: 15'-18'  
Growth Habit: small, upright tree  
Species: Hybrid

Name: 'Tuskegee'  
Flower Color: dark pink to near red  
Bark Color: mottled light gray and tan  
Height: 15'-18'  
Growth Habit: small, broad-spreading tree  
Species: Hybrid

Name: 'Yuma'  
Flower Color: medium lavender  
Bark Color: light gray  
Height: 15'-18'  
Growth Habit: broad shrub to small tree  
Species: Hybrid

Name: 'Arapaho'  
Flower Color: red  
Bark Color: light gray brown  
Height: 20'  
Growth Habit: upright, vase-shaped tree  
Species: Hybrid

Name: 'Potomac'  
Flower Color: clear pink  
Bark Color: light gray-brown  
Height: 20'  
Growth Habit: tall shrub or small tree  
Species: *Lagerstroemia indica*

Name: 'Tuscarora'  
Flower Color: dark coral pink  
Bark Color: mottled light brown  
Height: 20'  
Growth Habit: vase-shaped tree  
Species: Hybrid

Name: 'Biloxi'  
Flower Color: pale pink  
Bark Color: dark brown  
Height: 25'  
Growth Habit: upright, vase-shaped tree  
Species: Hybrid

Name: 'Miami'  
Flower Color: dark coral pink  
Bark Color: dark chestnut brown  
Height: 25'  
Growth Habit: tall, upright tree  
Species: Hybrid

Name: 'Choctaw'  
Flower Color: bright pink  
Bark Color: cinnamon brown  
Height: 30'  
Growth Habit: tall, rounded tree  
Species: Hybrid

Name: 'Muskogee'  
Flower Color: light lavender  
Bark Color: light gray-brown  
Height: 30'  
Growth Habit: tall tree  
Species: Hybrid

Name: 'Natchez'  
Flower Color: white  
Bark Color: cinnamon brown  
Height: 30'  
Growth Habit: tall, arching tree  
Species: Hybrid

Miniature/Dwarf
  Small
  Medium
  Tall
