

Hello to All,

This Saturday, September 10th, the first Fall workshop will take place at WMWD Landscapes Southern California Style.

*"Gardening Month to Month in Your Southern California Garden"*

Every month presents opportunities in your garden. Learn the optimum times for garden tasks to obtain the best results. Laura Simpson, UCCE Master Gardener, will provide guidelines as to when to plant, propagate, fertilize, prune and more in your Inland Empire garden.

Hope to see you there...

11:00a.m. to 12:00p.m.

WMWD Landscapes Southern California Style

450 E. Alessandro Blvd. (corner of Alessandro and Mission Grove)

Riverside 92508

This counts as continuing education
