

For the Sergeants at Arms, we present a **Snickers** so you remember to keep other members from snickering during meetings.

For the Photographer/ Reporters, we present a **Milky Way** because , just as Hubble has taken pictures of the Milky Way, you will take pictures of our Club.

For the Communication officer, we present a **M&M's**, because you will give the Phone tree all of the pieces of information for upcoming events and meetings.

To the Phone Tree Officers, we present a **3 Musketeers** simply because there are three of you and you will need to work together like musketeers (without swords or muskets).

To the Secretary, we present a **Butterfinger**. You will need to take notes at every meeting and make sure nothing slips by.

For the Treasurer, we present a **100 Grand** because though you won't get this much in one sitting, you will need to document whatever amount the club gets.

For the Vice President, we present a **Twix**. There are two bars which will remind you to work with the president at each meeting, just as the two **Twix** bars have to cooperate in the same wrapper.

For the President, we present an **Almond Snickers** because almonds in any candy bar are pretty special just as the office of president is in any club.
