**Traditional:** This category features a garment/garments the participant has constructed, showcasing sewing skills and the ability to coordinate an outfit. The entry must be sewn by the member as part of the 4-H Clothing and Textiles project and worn by the member.

**The Box Challenge: Red, white & blue** Participants in this challenge sew one or more garments that contain 3 predominant colors - red, white, and blue. In addition, choose from the list of elements that are in your box. Junior members must include at least one in their sewn garment(s); Intermediate members must include at least two; and Senior members must include at least three. The garment(s) must be sewn by the member as part of the Clothing & Textiles/Sewing project. See the SFR website for contents of the Box.

Choose your Fashion Revue category! Make a plan and get creative! Registration is open until April 5th.

**Make It Mine Challenge** Alter a commercial pattern or make your own pattern to achieve the fit and style you desire in a garment of your choice. Either begin with a fashion design drawing or a written description of what you want to make. Then find a commercial pattern or patterns, or draw your own pattern to create a wearable garment. If using a commercial pattern, submit the pattern number and envelope front. Tell which part you used and how you modified the pattern to fit or to create the look you wanted. If you draw your own pattern, tell how you made it and figured out the instructions to create your garment(s). There is no 4-H project requirement; any 4-H member may enter this category.

**Consumer Science:** Purchased \$40 limit. Participants shop for an entire outfit with the total cost not to exceed \$40, including shoes but not sales tax. Receipts from the current 4-H year are required for all items that are visible. Gifts, prior purchases, and items without receipts are not eligible. Receipts from yard sales, etc. may be handwritten. The member considers value vs. cost, versatility, the shopping experience, and coordination of the outfit within the cost limit. There is no 4-H project requirement; any 4-H member may enter this category.

**Retro/Historical Challenge** Create an outfit that is inspired by or looks like an old design using new fabric and notions. The design should be from before the year 2000. The entry must state the year or period of the design and include a drawing, photo, or description of the classic design that is being reproduced or duplicated. Add accessories to complete the outfit that are reminiscent of that time period. The outfit must feature at least one handmade garment made by the member. Other pieces of the outfit must be representational and recognizable as belonging to the same era as the hand made garment. The garment(s) in this challenge must be sewn by the member as part of the Clothing & Textiles/Sewing Project.
