

4-H Important Updates

July 23, 2019

Dear 4-H Families,

We have some exciting events coming up and changes to our 4-H program. I would like to share with the 4-H families.

Enrollment fee changes. We voted at the council meeting on June 26, 2019 to increase the enrollment fees to help offset the additional cost of the program.

2019-2020 Approved Enrollment Fees:

New Youth Membership (regardless of date joined): \$70.00

Adult Volunteer Membership (renewal or new): \$24.00

Youth Membership Renewed between 7/1 – 8/31: \$70.00

Youth Membership Renewed between 9/1 – 10/31: \$80.00

Youth Membership Renewed **after 10/31: \$90.00**

We are working on an on-line payment system. We have run into some issues that the state office is currently working on to resolve. You can also pay your club directly.

Registration information: [http://cesanbenito.ucanr.edu/4-H Program/Get Involved/](http://cesanbenito.ucanr.edu/4-H%20Program/Get%20Involved/).

We have two ways to help increase of youth & leader enrollment in our 4-H program. If we increase the enrollment the program is offered to more youth in our community also spreads the work load of 4-H program.

We are offering prizes to the top three members that bring in new members into your 4-H club by December 31st!!

Second way to increase 4-H enrollment is the Open House & Movie night. We need everyone's helping to make this work.

We have a committee that has been hard at work on the 4-H Open House & Movie Night event. This idea came about to help show case the great benefits 4-H families provide the community.

Our goal is to increase our 4-H membership to help promote 4-H in our community.

We are asking each club to host an active booth (about 12x12 size booth) at this event to show case a special project from your club. We have attached a floor plan of the event.
