Message from Diego Escutia 4-H Program Representative

Greetings 4-H Family!

My name is Diego Escutia, I am the new Community Education Specialist II for 4-H in Yuba-Sutter. Since 2014 I have been working with local youth in and out of the classroom to help them see their full potential. I began working with youth in various schools in the Yuba City Unified School District through the AVID mentorship program, which helps students who will be the first in their family to attend a college or university, navigate the college admission process and learn the necessary knowledge and skills required to achieve this goal. I also served as a mentor through the Upward Bound program at Yuba College, a federally funded pre-collegiate program for high school students designed to motivate and prepare students, with academic potential, for success in education beyond high school. Outside the classroom, I have coached competitive youth basketball at every age level. I currently serve as the varsity assistant coach for the River Valley High School boys basketball team. I have worked at the school since 2015 and have had success developing athletes of strong character and implementing a winning culture and mindset.

I look forward to meeting and building relationships with members of our 4-H clubs and community to make a greater impact on our local community. I hope to learn and listen to the concerns of our members and work together to build stronger programs and more impactful projects for our youth.

Stop in and say hello. If I can be of any assistance, let me know. Office hours are 8:00am - 5:00pm. You can email me at descutia@ucanr.edu.

Sincerely,
Diego Escutia

STEPS TO SUCCESS IN 4-H

To help make the 4-H experience fair for every member regardless of which club or county they participate in, the Steps to Success in 4-H has been developed.

This document outlines:

1. What “member in good standing” means
2. How members earn a year stripe and pin
3. Requirements to exhibit at fair
4. Ways to earn recognition in 4-H
5. What is required for projection completion
6. Club participation standards
7. Participation at 4-H events
