Council members are encouraged to participate in the decision making for program operations, and the Council raises funds to support 4-H at the County level.

Council develops mechanisms for providing training and support of adult volunteers and youth.

COUNTYWIDE CRAFT EXPO

The Countywide Craft Expo will be held on Saturday, November 2, from 9 a.m. to 3 p.m. in Festival Hall at the Colusa County Fairgrounds. Everyone is welcome to attend, as it is open to the public, so be sure and tell your friends and neighbors!

Stay for the day, and it will count as your Countywide 4-H Arts and Crafts project!

If you would like to have a booth and teach a craft project, please contact the office and let us know! Then you can surf the web and Pinterest to pick out your project. It can be a holiday project, but it doesn't have to be!

NEW COUNTYWIDE PROJECT ADDED!

Wayne Grishaber is going to be offering a Fly Tying project countywide! Depending on who signs up will determine the location of the project meetings! If you are interested, log back on to 4-H Online and sign up for this great opportunity!

There will be a \$35 charge for a fly tying kit that you will be using to make your ties, but it will last forever!

DAIRY REPLACEMENT HEIFER PROJECT INTEREST

The Colusa County Fair would like to offer dairy replacement heifers at the Colusa County Fair. All we would need to get it started are five members willing to take on the project! Please let the 4-H Office know if you would like to do this! What the project would be is purchasing a replacement heifer and then taking care of it, learning how to show it, and then it would get auctioned off and go and live at a dairy.

CERAMICS PROJECT

We have been in contact with a ceramics store in Roseville, and we can reserve a space on a Saturday or Sunday for two hours for \$26. The price includes a piece of greenware and help from the store staff on how to paint it. We can reserve with as few as 10 members. Please respond to the survey with your date preference.

ARBUCKLE CLUB MEETING REPORT

Arbuckle 4-H had their first 4-H meeting on the 14th of October 2019. All the kids got to meet their project leaders for most of their projects. They also got to meet all of the new officers. While the regular members had their meeting, the primary members had their own meetings. The second and third graders painted rocks for homecoming and they're going to hide them around town. During the homecoming parade, go find a rock! While you're having all of the fun, try to remember to stay after the next 4-H club meeting for the Arbuckle Achievement Night. Just to help you remember, it's on November 11, 2019. Till next time....Oh, by the way, coming up is the great fun of the Make It and Take It Craft Expo on November 2 from 9 a.m. to 3 p.m. At Festival Hall in Colusa. Also another yummy event is the pie sale on November 27, 9 a.m. to 1 p.m. at the Umpqua Bank in Arbuckle

Committee Help Needed

COMMITTEE HELP NEEDED!

The Colusa County 4-H Council has designed committees open to any and all **youth and adults** who participate in the 4-H Program. The goal of the committees is to provide leadership by developing and implementing new ideas and events. All the committees work in partnership with the 4-H Council and 4-H Youth Development staff, the bulk of the decision making, planning and implementation lies in the hands of the committee. This structure allows for input from both adults and members in crafting the programs and managements strategies to best serve the needs of the 4-H community. When possible, senior members should be appointed committee co-chairs.

New
this year!

Fund Development Committee— A group of 4-H volunteers, youth, and alumni who assist the 4-H Office with direction and guidance of fundraising activities for the Colusa County 4-H Program. This committee helps to determine the types of fundraising activities which should be pursued, assist with the creation of donor lists, and the creation of solicitation letters. These fundraising activities will support the sustainability of our local 4-H Program and help ensure that our local program has funding. Please consider joining this committee as we work to build the future of Colusa County 4-H together.

Family & Consumer Science – Helps with Craft Expo, Home Ec Review/ Cooking Craze, Fashion Review and the Colusa County Fair Still Exhibits. The committee plans where events will be held and makes changes to information given to members and evaluators at the event. After each event the committee meets to review evaluations to see if changes need to be made, and help incorporate new ideas.

Leadership – Helps with County Presentation Day, County Ambassador Program, Scholarships for Higher Education, Record Book judging, and Community Service Learning Projects. The committee helps design applications, plan out various events and helps provide feedback and input about the events.

Animal Science – Helps with Small Animal Field Days, Colusa County Fair, Horse/Dog Shows, and other animal related events. Members help with the planning of events and help develop new ideas for future events.
