Making a Difference for California

Serving Stanislaus County Since 1915

March 17, 2020

Due to the threat of the corona virus that causes COVID-19, University of California employees have been ordered to temporarily cancel all face to face educational events, regardless of size. In addition, President Trump has advised against meeting in groups of more than 10 people and avoiding restaurants. Therefore Jhalendra, Kari and I will cancel our March 18 and April 1 Tree & Vine IPM breakfast meetings. We will monitor the situation closely and will make a decision on future meetings as the situation unfolds.

Best wishes,

Roger Duncan
Pomology Advisor and Director
