

## UCCE Master Gardeners of Lake Tahoe

### 2020 Grow Your Own Workshop Series

Thank you to our partners and participants for a successful season of virtual Grow Your Own High Elevation Gardening workshops! Workshops were hosted by UC Davis TERC, UCCE Master Gardeners of Lake Tahoe, Slow Food Lake Tahoe and Tahoe Heritage Foundation.

The five free workshops were hosted virtually and were geared to prepare the Tahoe gardener for growing their own food. All workshops were virtual and can still be accessed! Our partners at UC Davis Tahoe Environmental Research Center have uploaded everything in a one stop shopping link on their website. You can find all the recorded videos, tip sheets, how to stay in touch and a bunch of other helpful links! Check out their webpage at <https://tahoe.ucdavis.edu/garden-workshops>

We included quick links to the workshop below too. Cheers!
