

## Training Young Prune Trees

June 10, 2020

4:00 PM Pacific Time

You are invited to a UC Cooperative Extension Zoom meeting on training young prune trees. During this meeting we will discuss the UC research and grower experience with long pruning of prune trees during orchard establishment. Luke Milliron and Franz Niederholzer will present the UC research. Joe Turkovich and Erick Nielsen will present their innovative approaches to tree training from the grower perspective and then we will open it up to questions and discussion.
