4-H Debit/Visa Card Fundraiser

Help your county 4-H programs without spending anything extra.

The California 4-H Foundation is excited to share this innovative, grassroots method for raising money for local 4-H programs – meet your California 4-H GroundSwell Visa Debit Card. We're working with GroundSwell, a social purpose corporation that empowers people to use their everyday purchasing as a force for good.

- **Good for 4-H youth:** 4-H youth programs get the benefit of ongoing funding according to the participation in your county, to be used where it's needed most in your county.
- **Good for you:** Awesome rewards, zero recurring fees, no credit check. Every purchase helps your 4-H county, *but that money doesn't come out of your pocket.*
- **Good for your county 4-H Program:** All funds raised go directly to your county.

We will receive 1% back on all purchase (50/50 split between 4-H council and 4-H office) funds will be used to support the 4-H program. You do not have to be a member of 4-H to participate. No credit check.

San Benito Gives - Auction Event!

The Community Foundation for San Benito County is pleased to announce it will be hosting a county-wide online auction to benefit nonprofits and service organizations in San Benito County. Due to the COVID-19 pandemic, the majority of nonprofits have had to cancel or scale back their traditional fundraisers. To provide assistance, the Community Foundation has chosen to replace its annual San Benito Gives day of giving event with a 5-day online auction, called San Benito Gives Community Auction, taking place November 13th through November 17th this fall.

We are asking for your help. We need to collect donations of the value of \$200 for 2 auction items. We can gather many different donations to make up the value of \$200. If you have an item or service that your family or company is able to donate for this auction, we greatly would appreciate it. Please contact the 4-H office by email jkatawicz@ucanr.edu or 831-205-3180
