Weed Management for Small Acreages

Join UC Cooperative Extension for a *FREE* online workshop

Tuesday, May 25, 2021

6:00 – 7:30 PM

Topics Include:

- Poisonous Plants
- Yellow Starthistle Control
- Herbicide Resistant Weeds
- Weed ID 101

Bonus Weed ID Session!

Submit a picture of a weed and learn the name during the workshop!

Register at: <http://ucanr.edu/weed-webinar>

Tips for submitting photos:

- Include something that shows scale (ruler, pencil, coin)
- Make sure the photo is clear (not blurry)
- Include the flowering structure and a leaf (2 pictures)
- Include a short description of location and plant characteristics

For more information contact Julie at (661) 868-6219 or jafinzel@ucanr.edu.
