No exceptions if you miss any of these deadlines for tagging livestock or entries to show and sell at the fair.

We will have a 4-H & FFA horse show prior to the fair. Check the fair entry book for dates and deadlines for all areas.

We would like to thank Sue Dike for her many years of service as the 4-H farm advisor. She has done a fantastic job managing the 4-H farm. We will miss her at the 4-H farm.

We will announce the new 4-H farm manager once this position has been filled. If you have any questions until then please contact Julie Katawicz, 4-H office at (831) 205-3180.

Vets Hall Community Service:

Our 4-H program has the privilege to use the Vets Hall for our 4-H meetings and events at no cost to our 4-H council or 4-H clubs. Due to COVID restrictions, the Vets Hall has taken a financial hit this last year as many businesses. Maria at the Vets hall has reached out to the 4-H program for help with some of their events coming up. We have an opportunity to participate in community service projects.

We are looking forward to our 4-H youth helping the Veterans at the upcoming community service events:

- May 28th at 4 pm
- Calvary Cemetery to help place flags on soldiers graves
- May 31st - 9:30 am
- Set up chairs for HomeTown Hero flags
 - Speak to Maria office staff for direction on helping at these community service events
- May 31st - 11 am met at Vets Hall
 - Help hang up the Hometown Heroes flags in the downtown area
 - Speak to Maria for direction on this event at Vet
- Emerald Star project suggestion:
 - Making a map marking the soldier graves at two cemeteries
 - This will help with wreaths across America and additional Veterans events
 - Complete an emerald star application and submit it to Danielle Nino if you are interested in hosting this Emerald Star project.

The Veterans also award high school scholarships to our community. High school seniors may want to apply for some of these scholarships after giving back to our community. Thank you in advance for community service and for supporting the Veterans Hall events in our community.

Beth Kadluboski All-Star project

Beth is hosting a Red Cross Blood Drive event (10 am - 3:00 pm) at LDS Church 1670 Cienega Rd, Hollister on May 29th. She has filled all the time slots for blood donors at this point. What an amazing gift to give!

If you are interested in helping Beth on May 29th contact Sandra at 408-476-5718. Great community service project.

YMCA Petting Zoo

We are looking for a chairman to host a petting zoo event for YMCA youth. This is an amazing opportunity to educate youth about your animals and the 4-H program. We will have to provide the animals and pens for this event. Contact the 4-H office or Denise Lange if you are interested in volunteering to chair or participate in this event on July 16th from 10 am to noon.

4-H Leaders Last Chance:

The 4-H online system is changing over to a new system. If you have not completed your 4-H leader training by June 10th you will be removed from our 4-H enrollment system. The new database will not transfer your information. You will have to register in the new year then complete the new leader 3-hour training and complete the live scan again before working with our 4-H youth. I will be contacting the outstanding leader this week. If you have any questions contact Julie at jkatatwicz@ucanr.edu or (831) 205-3180 before June 10th.

2021-2022 Enrollment Registration Changes:

Our 4-H online registration system is changing over on June 30th. We can not register for the new 4-H year until August 15th. Our 4-H enrollment fee was also raised by \$4 per person by the 4-H state office. The 4-H state office will be collecting an additional \$4 next year.

Our registration fees for 2021-2022 will be:

- \$75 - 1st tier August 15th to September 30th
- \$85 - 2nd tier October 1st to November 30th
- \$95 - 3rd tier December 1st to June 30th

New members registration is \$75 if paid within 30 days of registration

4-H adult leaders registration - \$30

We suggest the 4-H club think about fundraising to help 4-H members with registration enrollment fees for this next year. See's a great fundraiser opportunity in December.

Auction donations needed:

We have an opportunity to participate in the Community foundation auction in August. We are looking for auction sponsor items for our 4-H program. The funds raised will go towards our 4-H program. We are asking for help to obtain at least two auction items such as a weekend getaway, dinner event for 10 people, or any other items that will bring in a good profit at the online auction. Please contact the 4-H office at jkatawicz@ucanr.edu. Thank you in advance for your help. Julie
