

TURNING LAB REPORTS INTO ACTION

A ZOOM WEBINAR

Contact Phoebe Gordon or
anrprogramsupport@ucanr.edu
for more information.

JUNE 11, 2021
1-3:30 PM

Do you want to learn more about reading soil, water, and plant tissue reports? Do you need to use them to diagnose on-site issues, or write amendment recommendations?

Join us to learn more about this subject, including how to sample, submit, and interpret lab reports. [View the full agenda here.](#)
