YQCA Training

Youth for the Quality Care of Animals is a required training for all youth exhibitors entering animals in a fair. (Rabbits, Poultry, Turkeys, Beef Cattle, Dairy Cattle, Meat Goats, Dairy Goats, Sheep, and Swine)

Please complete the online training as soon as possible.

<https://yqcaprogram.org>

Cost \$12

The online training is taken at home by each exhibitor at your convenience. Remember that fairs require the completion of the training prior to your entry into the fair. Training is good for one year from the date completed. Make sure you print and keep a copy of the completed certificate.

Home Ec Field Day

Home Ec. Field Day is an opportunity for 4-H members to showcase their 4-H project skills learned in projects such as sewing, quilting, foods, baking and home arts. Members are expected to have made their own items that they are entering. They will be asked to present their item to a judge that will ask them questions about ingredients, materials, cost, nutrition, construction practices or more.

Home Ec. Day begins at 2pm on Sunday, April 24th at the Montague United Methodist Church Fellowship Hall. This event is being held in conjunction with Fashion Revue. The Fashion Revue modeling will begin at 4:30pm.

2022 4-H Beekeeping Essay Contest

2022 Essay Topic: Transportation: Minimizing Stress on Bees While Getting Them Where They Need to Be

Many beekeepers often need to move colonies to various apiary locations, or for local pollination, etc. What are the major stresses on bees during local and long-distance* transportation?

In your essay, please give specific examples for how those stresses can be minimized when moving colonies within an apiary, during short-distance movement among local apiaries, and during long-distance movement across state lines.

Writers are encouraged to include photos and interviews with commercial beekeepers, citing state laws for the transport of bees.

**The California state deadline for essay submission
is April 30, 11:59pm.**

Email your submission to Elina Lastro Nino at elnino@ucdavis.edu and

cc Gemma Miner at gmmminer@ucanr.edu.

Club News

Grenada 4-H-Hailey Winter

This March the Grenada 4-H club did some fun activities. We are combined with the Shasta View 4-H Club for beef and we had our first beef meeting this month. We learned about showmanship, feeding options, and got to know others of the group. We walked the animals around and switched them up to help us become better showmen.

There also was a sewing meeting. Members shopped for materials for them to create items with their very own twist!

Members creating masterpieces!

Some of our members also participated in a livestock camp in Central Point on March 26th. We were divided into several groups and learned about our animals with our group. They went over topics such as showing, grooming, maintenance, feeding and other valuable information needed for a show animal.
