Location: Almond Regional Variety Site at CSU Chico University Farm
Nicholas C Shouten Ln - continue SE past Organic Vegetable Project (map on back)

Butte County Regional Variety Trial Tour

Pressure Chamber Demonstration

New Irrigation Management Technology

Direction to precise location on the farm:

Enter the farm on **Nicholas C Shouten Ln** and stay straight on that road (DO NOT TURN RIGHT towards the farm office/pavilion/dairy unit). Continue straight past the greenhouses and continue straight towards the back of the farm (past a farm gate) and to the location circled near “Pecans” on the map.

Regional Almond Variety Trial is the almond orchard across from the pecans.
