Rabbit Achievement Day Results

Rabbit Achievement Day was held on June 4th and it went well. I am Trinity West from Blossom Trail 4-H and I have been working toward my Emerald Star. I have created five levels of the Rabbit achievement and it follows the format of our Livestock Achievement Test. It includes a written as well as a hands-on portion. I have also created a Peewee test to get our Peewees ready for soon becoming Junior member's.

I wanted for our Rabbit Members to have the basic knowledge it takes to have a rabbit, the care time and attention they need. I also wanted them to have the same opportunities as the Livestock members, and as someone who shows boar goats I am aware of what this takes.

We had a great time on June 4, 2022 at Collins Country, where we were joined with Poultry as well as Pygmy Goats. That day we had 16 members in attendance, which included 3 primary members. We did a Hands-on portion as well as a Written. We also did a Bunny costume contest. It is great to bring life once again to the Rabbit Portion of the Achievement test. We were also very grateful to do this in person as in the past Covid put a halt on it as well. I look forward to see members return again next year as well as new members to come out to join the fun. Thank you to all who attended and took the Rabbit Achievement Test 2021-2022, here are the results.
