Kearney Alfalfa and Forage Field Day

September 29, 2022

8:00 am – 12:00 pm

UC Cooperative Extension will provide updates on applied research in alfalfa and forage variety, irrigation, nutrient and soil management, and pest management.

Who should attend: California alfalfa and forage growers, consultants and allied industry professionals.

Where: Kearney Agricultural Research and Extension Center at 9240 South Riverbend Avenue
Parlier, CA 93648

For more information, please contact: Nick Clark, neclark@ucanr.edu, 559-852-2788.

We will be applying for CEU's for CA DPR, CCA, and CDFA-INMP (formerly CURES).

Lunch will be provided.

Pre-registration will be required.
