

**Oak Woodland Restoration and
GSOB Management Workshop**
Hosted by UC Cooperative Extension San Diego
September 20 and 27, 2022

Day 2: In-person field site visit (September 27, 10 AM – 2:30 PM)

Bring brown-bag lunch, mask, water, hat, sunscreen, closed-toe shoes, long pants (for poison oak and other hazards). UCANR COVID protocols will be followed at all times, and wearing a mask is recommended to attend.

9:45 AM Meet at Oak Canyon Nature Center (6700 E Walnut Canyon Rd, Anaheim, CA, 92807)

- Accessible via paved road; restrooms and drinking water available
- Meet at the amphitheater right next to the nature center
- Sign in, sign Irvine Ranch Conservancy and UCCE photo-video waivers

10:00 AM Introductions

- Oak Canyon site lead: Beatriz Nobua-Behrmann, Urban Forestry and Natural Resources Advisor (UCCE)
- Weir Canyon site lead: Erin Andreatta, Project Manager (Irvine Ranch Conservancy)

10:15 AM Short-term Projects and Monitoring & Management at Oak Canyon

- Walk < 0.75 mi
- GSOB monitoring, management, and research
- Robert Gomes (Park Services Superintendent, City of Anaheim Parks Division) will discuss the joint research-management project and its outreach program

11:30 AM Break for lunch, bathroom, sunscreen

12:30 PM Reconvene for carpool to Weir Canyon (Anaheim, CA)

- UCCE and IRC vehicles

1:00 PM Long-term Projects and Working with Volunteers at Weir Canyon

- Walk < 0.5 mi
- No restrooms, drinking water, or places to sit down (except stumps)
- Site history, long-term management, and volunteer recruitment and program design with Erin and other IRC staff

2:00 PM Carpool back to Oak Canyon

- Don't forget to fill out evaluation survey!

2:30 PM Closing
