“Ysandro Contreras”

The first baby born during 4-H WEEK

It's a Boy!

Ysandro was born early Sunday morning on October 2, 2022 at 2:23 AM, weighing in at 7 lbs—2 ozs. Andres and Ana Contreras, along with big sister ..Yarelli welcomed home their new baby boy along with many 4-H baby gifts! They were delighted and extremely happy to receive the huge “Baby Shower in a Basket” overflowing with baby blankets, burp cloths, bibs, onsies, jeans, shirts, sleepers, hats, shampoos, lotions, books, toys, rattles, teethers, binkys, bibs, diapers, wipes, bath towels and more!!! Thank you for all of your donations in helping celebrate National 4-H Week and the first baby born at St Elizabeth Hospital. It was an exciting way to kick off the National 4-H Week!

Congratulations to the Contreras Family!

*Awards Night Host: The 2022-2023 Tehama County Ambassadors and BLAST Team:
(Left to Right) Alyssa Dausse-BLAST, Josie Parks-Ambassador, Jolene Junge-Ambassador, & Aiden Flood-BLAST.*

The BLAST team has been having a great time learning and growing with the Ambassador team. This last month we made a visit to the Tehama Co Board of Supervisors and helped proclaim 4-H week! It was a pleasure to be with the leaders of our county and to recite the 4-H pledge. We were busy planning the 4-H awards night, Sky Full of Stars. We had a great turnout and we congratulate everyone for their awards and hard work through out the 4-H year! We had fun decorating and helping the Ambassadors with this 4-H event. If you attended this event, THANK YOU and remember to put it in your 4-H record book.

Corning Club Report ...by Paisley Billotti, club reporter

Corning 4H had its first two meetings of the year. We had a lot of new families and kids here to attend this year. We announced our 2022-2023 officers; they are President—**Aubree Fox**, Vice President - **Samantha Prouty**, Treasurer - **Grace Caylor**, Secretary—**Hadley Adiego**, Healthy Living - **Averee Fox**, Activity Director - **Paisley Billotti**, Historian -**Allie Morgan**, Sergeant In Arms - **Tyler Prouty** and **Samuel Sutfin**. At our first meeting we talked about clubs and activities, the cinnamon roll fundraiser and got to meet all of the new members. We had our Arts and Crafts meeting and Cooking on September 24th. At Arts and Crafts we made friendship bracelets. For Cooking we made banana cream pudding. For Photography we went and took pictures at Country Pumpkins in Orland. At our monthly outing we went to Country Pumpkins. We all went through the corn maze as a group, trying not to get lost as we ventured through. By the end, we did make it out! We also checked out the animals in the barn, the reptiles, and the gift shop. Our annual cinnamon roll fundraiser is scheduled for December 3rd. We will begin baking at 3am! We all started selling boxes of cinnamon rolls with an overall goal of 700 boxes sold! Thank You

Annual Project Report

The Annual Project Report (APR) is used to document your specific project experiences. You will complete an APR for each project. The Annual Project is required to receive credit for the completion of your project. It is also required to participate in the Tehama County Fair.

Annual Project Report - Learning Experience Example

In the learning experience box, record every project-related activity or event where you learned something new or developed a skill related to the project.

LEARNING EXPERIENCES			
Explain what you did, what you learned, and the skills you gained in the project.			
<small>Include the level of participation: I = Individual, L = Local Club/Unit/Project, C = County, M = Multi-county/Area, S = State, N = National/Multi-State, G = Global</small>			
Date	Level	Hours	What did you do? Where? What did you learn or what skill did you practice?
			In here you describe your learning experiences, this could be project meetings, project skill activities, or any event/activity in which you learn about something that relates to this project For Example:
9/20/22	L	2	Project Meeting #1 (My House): At this meeting we dissected chicken eggs using tweezers and syringes and learned about egg anatomy and how it relates to embryology. I particularly enjoyed learning about how the chick grows inside the egg.
10/5/22	I		Hatching Time! (My House): Today I have begun the 21 day process of hatching chicks! I have a still air incubator that is constantly at about 100°F. Each week I will candle the eggs to check their development.

Peanut Clusters

From the Lassen Colony Food Project

Here is an easy recipe to make, a no-bake sweet homemade treat. Creamy white chocolate and peanut butter are always a winning combination. We made this recipe without using the oven—"SO TASTY"!

- 1 (12 oz) package white chocolate chips
- 2-3 tablespoons peanut butter
- 1 1/4 cups crispy toasted rice cereal
- 1 cup Spanish peanuts
- 1 cup miniature marshmallows
- Line baking sheets with wax paper.

In a large saucepan over low heat, melt white chocolate with peanut butter, stirring constantly. Let mixture cool slightly, then stir in cereal and peanuts, Fold in marshmallows.

Drop mixture by tablespoonfuls onto prepared baking sheets, Let cool until firm.

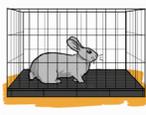

Countywide Project Directory

County-Wide Project Directory

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing ecparadis@ucanr.edu.
