During this transition year (2022-2023), older 4-H'ers who want to switch to the new Achievement Program will also start out at this level. Starting in 2023-2024, the Spark Achievements level will be limited to Junior and New 4-H'ers.

Switching to Spark Achievements

Junior members who have earned Star Ranks in 2021-22 or 2022-23 will keep their ranks and should convert their efforts to the Spark Achievement Report.

Intermediate & Senior Members who have started Star Ranks have three options:

1. Continue working on the Star Rank program and related Record Book requirements.
2. Finish the current rank you are working toward. Plan to convert to the new program in 2023-24.
3. After achieving Platinum Rank, start the new achievement program at any time.
