

GOLDEN JOHNNY LIVESTOCK AWARD CRITERIA
SMALL ANIMALS
(ALL RABBITS, CAVIES & ALL POULTRY)

The clean stalls and animal presentations are an important part of the overall Livestock Program of the El Dorado County Fair. All Junior exhibitors are invited to design and decorate their areas with educational displays regarding their project, as well as implement a plan to keep their area clean and attractive looking. An anonymous committee using the criteria below will do judging for these awards.

The organization with the highest overall cumulative score will win the 2023 Golden Johnny Trophy for the Large Animal category. Any displays that are removed prior to 6:00pm on Sunday, June 18th will automatically be disqualified from the competition.

In order to be eligible for the Golden Johnny judging each club or chapter must have a sign at each species to designate their name and area, and all animals must have an ID card, with the owner's name, on the pen.

In the educational display area, each club or chapter will have space provided to post information on behalf of their project decorated using the Fair's theme and have some educational value and information about their project. Imagination will be taken into consideration.
