

UC Master Gardeners of Santa Barbara County present:

FREE, Monthly **Garden Talks** with UC Master Gardeners

The UC Master Gardeners of Santa Barbara County invite you to join us for a free, online Garden Talk on Monday, July 10, 2023, at 7pm. UC Master Gardeners Bill Morey, Marian Rusting and Janet Rogers will share a research-based presentation, "Growing Berries". The three Master Gardeners will discuss the techniques, challenges, and success strategies for growing berries: boysenberries, raspberries, blackberries, and blueberries in Southern California gardens. Berries grown at home are a treat for breakfast, a snack, or any time of day. Please join us for a great evening.
