4-H CAMP NEEDS

What supplies, activities, new ideas do you think camp needs? Don't hold back let us know what you would like to see at camp!

MUSCLE

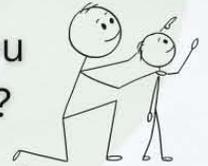

Who wants to go rake pinecones & maintain walking paths in the spring? Give us your name, number and email so we can add you to our "potential muscle list!"

IN-DEPTH SESSIONS:

Every year at camp we invite our talented community members to come up to camp to share a skill, hobby, or talent.

What can you contribute?

An hour long commitment is all we need! Unless you want to present your cool knowledge multiple times?!?!?

In-Depth Sessions provide campers an opportunity to learn about something that is interesting to them!
