

UC Master Gardeners of Santa Barbara County in Cooperation with Buellton Community Garden present:

# Growing Fruit Trees in Buellton and Surrounding Areas

The UC Master Gardeners of Santa Barbara County in cooperation with Buellton Community Garden invite you to join us for a free, in person public presentation on Monday, September 18, 2023, at 6:30pm.

UC Master Gardener Steven Craig will share a research-based presentation “Growing Fruit Trees in Buellton and Surrounding Areas”. Steven will describe the unique Buellton microclimate and provide information on selecting fruit trees, how to plant them, care for, and maintain the trees for the most success. While Steve will focus on Buellton, much of the information can be applied to the Northern Santa Barbara County area.

Location: The Grand Room at Industrial Eats  
181 Industrial Way  
Buellton, CA 93427

**Registration not required.**
