The True Leaders: Culture, Power and Justice curriculum was designed to engage youth in critical dialogue and collective action in order to contribute to a more empathetic and just society. Youth have an incredible opportunity to see the world as bigger than themselves. This curriculum offers dynamic opportunities for youth to explore their identities, different cultures, new perspectives, and the histories that have shaped power and privilege within our communities. Youth will engage with peers, adult support systems, and communities to increase the resources and tools they need to advocate for positive community change.

Each Emerald Star application will be evaluated for its value to the LA County 4-H Program, value to the community, practicality and feasibility.
