County-Wide Projects are open to all 4-H Members, regardless of the club you are in. To sign-up for any County-Wide project, please call the UCCE Office at **(530) 865-1107** or email: glenncounty4h@ucanr.edu.

The **County-Wide Vet Science Project I & II** will start project meetings soon! There will be a beginning and advanced group this year. Members must be 10 years old or older to be in the Beginning Vet Science I Project. To be in the Advanced Vet Science II Project, members must have taken "beginning" Vet Science previously.

County-Wide Sports Shooting is January-March. Learn to safely operate and maintain guns and equipment. Members will learn to shoot from multiple positions. Open to Junior, Intermediate, and Senior Members. Learn from our 4-H Certified Instructors. For more information, contact Bill Rehse at (530) 865-3781.

The **County-Wide Archery Project** will start in January. Members will learn how to safely operate and maintain archery equipment, as well as learn how to shoot. Open to Junior, Intermediate, and Senior Members. Learn from our 4-H Certified Instructors. For more information, please contact Loren Chapman at (530) 520-9917.

The **County-Wide Gardening Project** is led by the UC ANR Master Gardener Program and geared toward Primary Members, although youth of any age is welcome to participate. Focusing on garden beds and composting, we are sure your youth members will have fun playing with soil!

The **County-Wide Beginning Horse Project** (must be nine years old or older) is starting in November. The Beginning 4-H Horse Project will be geared toward learning and understanding the basic care practices of horses, nutritional needs, and how to prevent and treat illness. You do not need a horse to participate, youth will not be riding, but will be working with a horse. Shannon is excited to share her passion with others. For more information, please contact Shannon Knowles, by email at: wildimage5678@yahoo.com.

The **County-Wide Intermediate Horse Project** (must be nine years old or older) is starting in November. Each meeting will be focused on increasing the confidence and awareness in young riders. Youth members will learn the basics of riding a horse in different styles, practice riding safely with a group, improve their horse knowledge, learn about horse disease and treatment. This project will be assessed and meetings will be adjusted to accommodate the group. Participant will need to provide their own horse. For more information, please contact Shannon Knowles, by email at: wildimage5678@yahoo.com.

The **County-Wide Dummy Roping Project** is a fun opportunity to learn how to throw a loop. Andrea Rivera loves roping and has a passion for teaching youth. Members can expect to learn rope anatomy, how to handle their rope, build a loop, swing their rope and proper delivery and how to pull their slack. Members can also expect to learn the purpose of dummy roping, basic rules, and legal head catches. Meetings will start in January and take place on Saturday's once a month from 10:00 a.m. - 12:00 p.m. at Capay Elementary School.
