How does someone pick an Outstanding 4-H Volunteer?

Think about how the adult makes you feel when you are working together – do they listen to your ideas? Do they let you try your own ways? Do you think you learned something new?

Think about getting together – do they make sure you know about upcoming meetings or events? Do they understand your schedule? Is their communication or planning clear to you?

Have you noticed something special about a 4-H adult that helps you? Is it the way they speak to you? Do they provide something fun you enjoy? Do they make you feel like you are welcome to be there?

Did you find out they have a busy schedule and yet, always make time for 4-H? Do they have children of their own? Or, are their children grown and gone and they still help the 4-H club?

Did this person show resilience during a difficult time that you admire? Do they keep others upbeat even when there are challenges?

Write down your thoughts!
