

# FESTIVE FOOD FAIR 2024

## Personal Development Report OPPORTUNITIES

Record events or activities that demonstrate your knowledge to an audience or judge. Activities may be recorded **even if you are not enrolled in the corresponding project** – as long as the skills are related to a 4-H project.

**Exhibits:** Record exhibition entries such as animals, foods, crafts or other items. You may receive multiple credits for the same exhibit presented before a new audience at a different event.

**Judged Exhibits:** Each entry or collection of entries related to one project counts as one credit. For livestock, each species and project shown counts as one credit.  
**All foods entries count as one credit.**

**Showmanship:** Record each time you compete in a showmanship competition as a 4-H member.

**Judging Contest:** Record participation in any organized 4-H Judging contest where you are judged by a set of standards on how well you judged.

Include your specific involvement (attended, competed, presented) and the level of participation:

I = Individual, L = Local Club/Unit/Project, C = County/Area/District,  
M = Multi-county/Section, S = State, N = National/Multi-State, G = Global  
You may add lines or add a page for each category, if needed.
