6. Each exhibitor shall be expected to show his animal in accordance with the time schedule for judging and may be disqualified for failure to make proper arrangements in this respect. Members having more than one animal to be judged at the same time must be responsible for getting other 4-H members to help show the animals, otherwise each member must show his own animal.

Liability insurance is the responsibility and at the discretion of the junior exhibitor. It is, therefore, suggested that the junior exhibitors consider taking out a liability policy covering themselves and their exhibits."

15. There will be no more than 20 animals in any class. After this number is reached, classes will be equally divided. The top two animals from each of these split classes will be judged for champion and reserve. Showmanship classes will have five from each split class judged.

## JUDGING RULES

16. All divisions will be judged under the Danish system and in order to choose champions, animals will be placed in numerical order, except Pygmy Goats Rabbits, Cavies and Showmanship. Pygmy Goats, Rabbits, Cavies and Showmanship will be judged under the American System. **Danish System:** From a group of like articles (a class), all those that reach a like standard will be designated as a first place; all those that fall into the next group will be given a second; and all those that fall below that and are acceptable are designated in third place.

17. No person shall be allowed under any circumstances to interfere with the judge or judges during their adjudications or with the Fair's staff or to offer any criticism of an exhibit of another to the judge. Violators of the rule shall be excluded immediately from the judging area and from competition and be subject to such additional penalties including cancellation of awards as the 4-H Fair Committee shall consider proper. Rule interpretations can be asked for, **JUDGEMENT CANNOT BE QUESTIONED**. Any person attempting to influence the judges in their decisions in any manner will forfeit all awards and will be excluded from future Fairs, exhibitions and other 4-H activities.

18. Judges will be expected, whenever possible and reasonable, to give reasons for their decisions, embracing the value and desirable qualifications of the articles, products, and animals for which awards are made.

19. The judge may disqualify any animal or exhibit which is not a true representative of the division or class in which it is entered. The judge may disqualify any exhibit not in proper show condition or any animal that is not sufficiently gentle to be shown with safety. The judge may not award ribbons to any animal which shows visible evidence of disease, deformity or lameness. Entries eliminated under this rule will not be exhibited; neither will awards be made.

## AWARD RULES

20. Awards will be made according to the merits of the exhibit. If without merit, the judge shall make no award under any circumstance. In the Danish System of judging, the quality implication of each color is:
