

San Bernardino County 4-H Horsemastership Program

Revised 2/24

SAN BERNARDINO COUNTY HORSEMASTERSHIP PROGRAM INTRODUCTION

The Horsemastership Program is designed to:

- Help 4-H members gain more from their 4-H experience
- Make the 4-H horse and pony project more interesting
- Help 4-H members learn more about horses and horsemastership in an orderly manner
- Help 4-H members to improve their ability to care for, handle and ride horses
- Let 4-H members progress according to the time and effort they put into the program

The Horsemastership Program levels outlined in this publication are to serve as a guide to the 4-H member and leader. The program can be used in developing instructions for project meetings and in evaluating the member's progress. These levels will be helpful in establishing goals and objectives in the 4-H Horse and Pony project.

Emphasis is on basic skills and safety needed to become a confident and accomplished horse person. Members may progress at their own pace. They will not be in competition with other members. Members will be evaluated upon their knowledge and abilities in horsemanship. Members do not have to begin with level #1 if their abilities and skills are above that level. A level may be completed in one year or it may take longer. The member in consultation with the leader and parents should determine speed of completing various levels. The levels progress with increased skills and knowledge needed for each higher level. Under this program the member may advance through five levels.

The background information for the examination is based on the level being tested and will come from publications readily available to 4-H members. The publications utilized are "The Light Horse", "Horses and Horsemanship", and "Horse Science", "The Horse Industry Handbook", American Youth Horse Council. These publications are available through the 4-H YD program. Contact your project leader or the 4-H office.

To be eligible to take part in the Horsemastership Program the member must be currently enrolled as a member in good standing in the Horse and Pony project and the horse or pony shown must be the project of the exhibitor for at least sixty (60) days prior to the Horsemastership competition entered. The San Bernardino County Horse advisory committee recognizes a "leased" project and a "horseless" project.

HORSEMASTERSHIP RULES

GENERAL

1. For information not specifically covered in this Horsemastership book, the Riverside county 4-H Horse Show Rule Book will be used as a guideline.
2. Horsemastership is open to all 4-H members currently enrolled as a member in good standing in the Horse and Pony project. Horse or pony must be a project of the member at least sixty (60) days prior to the event and may not be shown by more than four (4) exhibitors at one Horsemastership Event, with exception of a designated horse/pony for horseless showmanship.
3. Exhibitors are responsible for knowledge of all event rules. It is the responsibility of the project leader to make sure that all exhibitors receive the information related to their level. Presentation of a signed entry form shall be deemed acceptance of these rules and in the event of failure to sign the entry form, entry into the show ring as an exhibitor shall be deemed to be an acceptance of said rules.
4. Any and all decisions of the judge(s) are final.
5. All horses, ponies, and miniature horses must be shown according to their breed specifications.
6. Stallions of any age are prohibited.
7. Any cruelty, abuse or inhumane treatment of a horse by any person before, during, or after an event (such as whipping, use of too severe bit causing bleeding, etc.) may result in disqualification of the participant. This shall be at the discretion of the show committee.
8. Showmanship is to be judged strictly on the participant's ability to fit and show a horse or pony at halter. Conformation of the animal shall not count; grooming and fitting does. The exhibitor shall be neat and clean, well-groomed, 4-H uniform is recommended, and boots are required. The halter and lead rope or bridle shall be neat, clean and fit the animal properly. Silver shall not count over non-silver tack. Whips may not be used for showmanship.
9. Exhibitors are required to care for, prepare for showing, and show their own animals. No adult but the 4-H member may groom, saddle, bridle, lead, warm-up, or otherwise get the horse ready for showing unless safety to a 4-her is apparent (small child, large horse). If the youth can't handle his/her horse, the horse is to be removed from the show. **ADULTS (INCLUDING TRAINERS) MAY NOT RIDE EXHIBITOR'S ANIMALS AT A 4-H HORSE SHOW OR HORSEMASTERSHIP.**
10. In the event of death or injury of a horse or pony, it will be the discretion of the leader to waive the 60-day rule. The horse project leader must send proof from a veterinarian to the County Horse Advisory Committee.
11. Coaching from the rail will not be permitted while the class is in the arena. Participant may be disqualified. Any person coaching will be asked to leave.

12. Any unsportsmanlike conduct on the part of the parents, leaders, or members may result in removal from the premises for the remainder of the event. Members may have their award revoked due to unsportsmanlike conduct.
13. Failure to respond to the Show Office during the event in a timely manner could affect the participant's award standings.
14. The use of intoxicating substances, and/or attendance by ANYONE under the influence of such substances is prohibited.
15. **GAITED HORSES:** In the event a member is showing a gaited horse that doesn't perform the gait called for in the test, the member may substitute a gait of similar speed that the horse does perform. For example, a running walk may be substituted for a trot.

DRESS

Showmanship

Wearing the complete 4-H uniform is preferred, and consists of white, green, black, tan or blue pants or breeches, long-sleeved white shirt or blouse, 4-H tie or scarf, 4-H hat, belt, and boots. Gloves are optional.

Western Riders

The complete 4-H uniform or western shirt, pants or jeans, belt, tie and boots. Chaps, gloves and spurs are optional. ASTM/SEI approved helmet is required at all times while mounted.

English Riders

The complete 4-H uniform or, for Hunt seat riders: Hunt coat, shirt, breeches, boots and ASTM/SEI approved helmet. For Saddle seat riders, an appropriate Saddle seat suit is called for, boots and ASTM/SEI approved helmet. Gloves, crop, or whip and spurs of the un-rowled English type are optional.

4-H SAFETY PRECAUTIONS

This section outlines safety precautions intended to help prevent accidents to our members and families.

No attempt has been made to cover every eventuality. The extent to which a member may expose his/herself or others to danger depends largely on his/her training, experience, mental attitude and existing conditions.

THINK BEFORE ACTING IS THE PRIME REQUISITE FOR SAFETY!

Accidents are frequently the result of hurried, unconsidered acts or decisions not based on a thorough knowledge of the horse and its potential hazards. Members and their parents are expected to use all knowledge of horse safety for their protection and that of their fellow members. All leaders should observe all members and their riding habits. They should make corrections and give instructions that will tend to reduce the possibility of accidents.

The following precautions should be considered as important aids, without which we cannot teach members the concept of good horsemanship:

1. WALK horses outside of the arena.
2. DO NOT CROWD around the gates of the arena.
3. TIE A RED RIBBON on the tail of a horse or pony that kicks.
4. HORSES SHOULD NOT BE TIED TO FENCES OR RAILS or any place that could constitute a hazard. Members and their parents are responsible for their unattended horse or pony.
5. Wear boots or closed toe shoes around horses. Thongs, flip flops, or bare feet are prohibited around horses.
6. All dogs should be on a leash and retained at all times around the horse show grounds.
7. Check cinch for proper tightness before mounting.
8. All riders shall wear ASTM/SEI approved helmets with chinstrap properly snapped or attached – AT ALL TIMES WHEN MOUNTED.

WRITTEN EXAMINATIONS

The examination is to include 25 questions covering topics as listed in each respective level. May be multiple choice, true or false, and one-word fill in the blanks. Bonus questions may be included, not to be more than 15 points. Maximum 100 points. (Members with special learning considerations may ask for a reader for their written test.)

AWARDS

Horsemastership is judged on the Danish system: members are not judged against one another but instead are judged against a standard. Ribbons will be given for each of the five tests in each level; 1-59 points: yellow, 60-84 points: red and 85-100: blue.

Medals will also be awards based on total number of competitors in each level completing all five test within that level. The top 10% in each level will receive a gold medal. Gold medals will not be awarded regardless of total score if member has reviewed a score on any test below 60 points (yellow ribbon). The next 20% will be awarded silver and the next 20% will receive a bronze medal.
