Healthy soil is necessary for a productive vegetable garden. Source: USDA

The UC Master Gardeners of Santa Barbara County, in partnership with the Santa Barbara Public Library, invite you to join us for an in-person, research-based presentation on “Soil Preparation”.

UC Master Gardener Kit Bonson will discuss:

- The importance of good soil preparation in your garden before planting a garden for vegetables or landscaping
- The use of amendments and mulch to support soil health
- How to test your soil using a simple HANDS-ON jar test

Winter is the perfect time to prepare your garden soil to ensure the greatest success. Please join us to learn about soil essentials before getting started on your most beautiful and productive garden ever!

Registration is required and attendance is limited to 50 people.

Please register on the SB Master Gardener website:

www.ucanr.edu/sbmg
