What a great day for Bed Races! Bed Races have been 'running' for 4 years now. This year we had 5 clubs compete against each other for the fastest bed and our peoples choice award.

Our peoples choice award is picked by a secret judge who goes around the beds to see which one is best decorated. This year the winner for people's choice, Corning!

Now for the race itself. With 5 beds, we had some good competition!

Manton, Corning, Bowman, Lassen Colony and Los Molinos raced at their full speed to try and claim the trophy.

This year the winner of the 4th annual bed races was Corning!

Great job everyone! Can't wait to see you all next year!

Flournoy/Paskenta Club Report ...

This month Flournoy Paskenta attended 4h Fun Night. We has Plinko and Cow Tipping in addition to Karaoke. The kids all had a great time and karaoke still had a line when the evening ended. Our cooking group met and made spaghetti and meatballs. They all went home with a tasty dinner. Our cooking group met again and made sugar cookies. So much fun! The kids had a great time creating special treats to take home for dessert.

B.L.A.S.T. Team Report

This past month BLAST and Ambassadors attended a meeting and an event. At the event we worked and had fun. We also worked together and had some funny moments at the meeting.

The event BLAST members helped was fun night. We had a booth that had snacks like candy, chips, soda, water, hot cocoa, water, and coffee. There was also a dance at fun night and dinner.

BLAST and Ambassadors held a meeting this month as well on the 8th, we talked about upcoming things, possible Community service BLAST can volunteer in, and did some work/paperwork.

BLAST and Ambassadors helped at favorite foods day as well. Ambassadors helped with judging and food.

BLAST helped out Corning 4-H with life skills judging. There were the sign ups and we'd help people sign in and show them (if they didn't know) how to do it, at the end judges went through them and chose winners. Katie (Ambassador), Aaron and Zoeigh (BLAST) MCed the awards at the end of Favorite Foods and Life Skills day.

Countywide Project Directory

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing ecparadis@ucanr.edu.
